Attention: Mr. Ted Matley

Dear Ms. Clemons and Mr. Matley:

The California Department of Transportation has completed the review of the following amendment to the San Luis Obispo Council of Governments' (SLOCOG) 2016/17 - 2019/20 Federal Transportation Improvement Program (FTIP):

<u>No.</u>	<u>Description</u>
15	<b>State and Local Transportation Systems</b>

This amendment modifies projects in San Luis Obispo County funded from the State Highway Operation and Protection Program, State Transportation Improvement Program, and Congestion Mitigation and Air Quality Improvement Program.

See enclosure.

The SLOCOG Board Resolution adopting this FTIP amendment certifies that the amendment is financially constrained, meets the requirements of public involvement procedures adopted by SLOCOG, and all applicable transportation planning requirements per Title 23 Code of Federal Regulations, Part 450, and satisfies the applicable air quality conformity requirements.

Pursuant to the authority delegated to me by the Director of Caltrans, I approve SLOCOG's Amendment Number 15. I also recommend that the Federal Highway Administration and the Federal Transit Administration approve this FTIP amendment for inclusion into California's 2017 Federal Statewide Transportation Improvement Program (FSTIP). Projects included in this FTIP amendment, in fiscal years not within the four-year cycle of the current FSTIP, are not approved as part of this FTIP amendment and are shown for information only. Approval of this amendment does not constitute an eligibility determination of projects for federal funding.

*"Provide a safe, sustainable, integrated and efficient transportation system  
to enhance California's economy and livability"*
